BOSTON, JUNE 14.

Last Wednesday his Excellency the Governor was pleased to send the following MESSAGE to the Honourable House of Representatives, viz.

Gentlemen of the House of Representatives,

BY your Committees you have laid before me the dates of six original letters with my signature to them, which have been brought into your House and read, together with other letters from several other persons. You have also laid before me an extract from the journals of your proceedings, by which it appears *you are of opinion that the tendency and design of the letters thus read was to overthrow the constitution of this government and to introduce arbitrary power into the province.*

I find by the dates of the letters with my signature that, if genuine they must be private letters written to a gentleman in London, since deceased; that all, except the last, were written many months before I came to the chair; that they were wrote not only with that confidence which is always implied in a friendly correspondence by private letters, but that they are expresly confidential; notwithstanding which, they contain nothing more respecting the constitution of the Colonies in general than what is contained in my speeches to the Assembly, and what I have published in a more extensive manner to the world; and there is not one passage in them which was ever intended to respect, or which, as I am well assured, the gentleman to whom they were wrote, ever understood to respect, the particular constitution of this government, as derived from the Charter.

I am at a loss for what purpose you desire the copies of any letters, the originals of which you have in your hands. If it is with a view to make them public, the originals are more proper for that purpose than the copies. I think it would be very improper and out of character in me to lay my private letters before you at your request. My public ones I am restrained from laying before you without express leave from his Majesty. Thus much, however, I may assure you, that it has not been the tendency and design of them to subvert the constitution of this government, but rather to preserve it entire, and I have reason to think they have not been altogether ineffectual to that purpose.

JUNE 21. On Tuesday last the Honourable House of Representatives, by a very large majority, came into several Resolves upon the letters that had been laid before them on Wednesday the 2d instant, the last of which is,

"Whereas this House are humbly of opinion, that his Majesty will judge it so be incompatible with the interest of his Crown, and the peace and safety of the good people of this his loyal province, that persons should be continued in places of high trust and authority in it, who are known to have, with great industry, though secretly, endeavoured to undermine, alter and overthrow the constitution of the province: Therefore,

"RESOLVED, That this House is bound in duty to the King and their constituents, humbly to remonstrate to his Majesty, the conduct of his Excellency Thomas Hutchinson, Esquire, Governor, and the Hon. Andrew Oliver, Esq; Lieutenant-Governor of this province; and to pray that his Majesty would be pleased to remove them from the government thereof forever."

Immediately after the Resolves were passed, the House appointed a Committee of five, viz. Mr. Speaker, Mr. Adams, Colonel Hancock, Major Hawley, and Colonel Leonard, to prepare a humble petition to his Majesty, remonstrating against the conduct of his Excellency Thomas Hutchinson, Esq; Governor, and the Hon. Andrew Oliver, Esq; Lieutenant-Governor, of this province, and to pray that his Majesty will be pleased to remove them forever from the government thereof.

Wednesday last Ansel Nickerson, a prisoner in goal in this town, was again examined, respecting the murder of three or four persons on board a vessel bound from hence to Chatham last November, and we hear some other material circumstances have been discovered against the prisoner.

NEWPORT, *(Rhode-Island)* JUNE 28.

The Court of Enquiry is broke up, having made no material discoveries that we can learn.

BASSETERRE, *(St. Christopher)* JUNE 16.

On Saturday the 29th of May, died, greatly respected, in the Island of St. Vincent, after an illness of about ten days, the Honourable Robert Stewart, Esq; one of his Majesty's Commissioners for the sale and disposal of Crown Lands, President of the Council of Tobago, and Collector of his Majesty's Customs in the said island.

CHARLES-TOWN, JULY 13.

TUESDAY last the Honourable the Commons House of Assembly of this Province met here, agreeable to their last Adjournment; and on Thursday his Honour the Lieutenant-Governor was pleased to prorogue the same to Tuesday the 9th Day of August next.

On Thursday last, before his Honour the Lieutenant-Governor prorogued the Commons House of Assembly, the Honourable Rawlins Lowndes, Esq; their Speaker, laid before them, a Letter by him received from the Speaker of the House of Burgesses in Virginia, inclosing the Resolutions of that House on the 12th of March last, [*See this Gazette of the 27th of April*] which being read, were unanimously approved of; and it was immediately RESOLVED,

I. "That Mr. Speaker, and any Eight of the other Members "of the standing Committee of Correspondence, be a Com- "mittee, to inquire for, and obtain, Intelligence, upon the "several Matters mentioned in the said Resolutions, and to "correspond with the Committee appointed by the said House "of Burgesses, and Committees appointed, or to be appointed, "in our other Sister Colonies respecting the same.

II. "That Mr. Speaker do transmit the Thanks of this "House, to the Speaker and Members of the said House of "Burgesses of Virginia, for communicating the said Resolutions "to this House, as well as for their steady Attention to the "general Interests of America."

A Writ is issued for electing on Tuesday and Wednesday the 27th and 28th Instant, a Member of the General Assembly of this Province, for the Parish of St. Michael, Charles-Town, in the Room of Thomas-Loughton Smith, Esq; deceased.

It is said, that his Excellency Lord Charles-Greville Montagu has resigned the Government of this Province, and that Lord William Campbell, will be appointed in his Room.

Tuesday last the Brig Prince of Wales, Thomas Mason, Master, sailed for Philadelphia, in whom went Passengers Daniel Heger, Esq; Mr. Paul Townsend, and a Mr. Nisbett, of Jamaica.

Sunday last the Brig Charles-Town Packet, Samuel Wright, Master, sailed for Philadelphia, in whom went Passengers the Rev. Mr. Edmonds, his Wife, and Son; the Rev. Mr. Tennent; John Scott, jun. Esq; and Wife; Dr. Mayer, and Wife; Paul Hamilton, Esq; Mr. John James, Miss James, Mrs. Leffee, Mr. William Dillwyn, Mr. Thomas Lefsine, Capt. Joseph Dirlee, two Sons of Mr. John Coram, and sundry others.

Since our last the Honourable John Stuart, Esq; Superintendant of Indian Affairs, returned here from Georgia.

It is reported, that the Small-Pox has been lately brought into Georgia by a Vessel from Cape-Nichola, and that it had actually broke out on the Plantation of John Houstoun, Esq; at White-Bluffs: That his Excellency Sir James Wright, Bart. had issued a Proclamation, strictly forbidding all Communication with the said Plantation, in Order that the Infection might be prevented from spreading.

Not two BLANKS to a PRIZE.

THE growing Importance of the College of NEW-JERSEY, (for the Use of which the above Lottery is principally designed) is now generally known through every Province in America. It has hitherto subsisted, and been raised to its present Situation, entirely by the Favour of the Public. In the Centre of *North-America*, and in a pleasant, healthy Country, it is well fitted for the most extensive Usefulness. The Success which has attended the vigorous Efforts already made, to raise its Funds, and furnish the Means of a complete and finished Education, to all who are sent to it, has encouraged those concerned in the present Attempt; especially as several very judicious Persons have warmly recommended it, signifying their Surprize, that at a Time, when so many have taken this Method of promoting public Undertakings, a SEMINARY, of such Importance, should not also put in for a Share of the general Benevolence. This, added to the other Schemes for the Support and Improvement of the College, will afford so many Friends of that Institution, an Opportunity of contributing with very little Risk of losing, and a considerable Chance of Gain to themselves, who would not incline that the small Sums they could spare, should appear in a Subscription Paper.

As a Number of Tickets are already engaged, and many Gentlemen of extensive Acquaintance have interested themselves in this Measure, the Drawing will commence the First Week in *October* next, in the Town of *New-Castle*, on *Delaware*, and a List of the fortunate Numbers published, and sent to the several Towns and Places where the Tickets may be sold. The Prizes, after deducting Fifteen per Cent. for the Purposes of the Lottery, will be paid by the Gentlemen of whom they were purchased.

Orders for TICKETS will be complied with, by applying to Richard Stockton, Jonathan Sergeant, Esqrs. or Mr. Enos Kelso, at *Prince-Town*; to William P.
